Sutton United Football Club, Sutton & Epsom Rugby Football Club and Sutton Cricket Club intention to form the Sutton Sports Alliance

Sutton United Football Club ("Sutton United FC"), Sutton & Epsom Rugby Football Club ("Sutton & Epsom RFC") and Sutton Cricket Club ("Sutton CC") together announce that they intend to form an alliance to collaborate within the local community (the "Sutton Sports Alliance").

The Sutton Sports Alliance brings together three major sports clubs in the area, with the common aim of increasing participation and spectator numbers across football, rugby and cricket in the area, with a particular focus on younger people.

Sutton United FC, Sutton & Epsom RFC and Sutton Cricket Club have amassed more than 400 years of combined history. Each club boasts alumni of county and international representatives but importantly, each club is a family club with relevance to all generations.

The Sutton Sports Alliance is further commitment towards extending the reach more broadly to the local community and the clubs have agreed to jointly promote the following initiatives.
